Annual Dinner 2020

Our **Annual Member Dinner** is a signature event, averaging 100+ Hanover business owners and decision makers in attendance – in a regular year. This year, the event will be adapted for the health and safety of all as we function through the covid-19 pandemic. The celebration includes member awards, leadership elections and updates for the coming year, and we will offer both virtual and limited in-person attendance. Sponsors will still be recognized and appreciated in many ways!
