

## WE CAN GET THROUGH THIS TOGETHER

As the Coronavirus (COVID-19) continues to have an impact on our communities, we wanted to reach out to you and share with you the ways in which we are working to keep our customers, our team, and our communities safe. At Copy Cat Printing, we are focused on doing all the things we need to do to ensure everyone's health and safety during the rapidly evolving situation. This includes expanding our delivery and pickup services to meet your safety needs.

It is our wish to make our interactions as safe as possible to help prevent the spread of this virus. As always, we still offer FREE PICK-UP and DELIVERY, however to promote social distancing that now includes curbside pickup and delivery, leave-at-door delivery, and shipping options to suit your business needs. We also accept orders online through our website, [www.copycatprinting.net](http://www.copycatprinting.net), so that your business can get what it needs remotely.

Here at Copy Cat, we are dedicated to supporting our customers in maintaining their normal business operations as best as possible during this time. If you have any particular needs, concerns or special requests, please call us today. We will be happy to assist you in any way possible.

Please take good care and be safe!

Sincerely,

Our Team at Copy Cat Printing
