Keynote Address: Reigniting Creativity & Innovation!

Speaker: Holly Chasan-Young

Holly Chasan-Young is an award-winning strategist, innovation coach and speaker. With her firm Wonderbolt Labs, Holly partners with organizations to expand and amplify their creativity and innovation practices in the name of future growth and success. Dubbed the "Customer Whisperer" and "Mary Poppins of Strategy," Holly serves as interim strategy officer for teams who are designing new (or reinventing existing) customer or employee-facing experiences, products and services. In the words of Maya Angelou, "When we give cheerfully and accept gratefully, everyone is blessed."
